Contribution / Sponsorship Guidelines

Worth Credit Union's philosophy on contributions and volunteer service is true to the credit union's motto of "people helping people." We actively support and consistently contribute dollars and time to organizations within our community and field of membership.

Contribution Criteria

WorthCU will consider contribution requests from organizations that impact the communities the credit union serves. Requests need to be from an organization that is located within Fort Worth Community Credit Union's field of membership area which is the counties of Denton, Johnson, Parker, and Tarrant. Requests should include information about the organization, as well as specific information about how the contribution will be used.

The following are some examples of organizations or events that WorthCU may consider. All requests should fall into at least one of these areas:

- **Municipalities, Charitable, Civic, or Educational Organizations** in our membership area.
- **Government Agencies** that fall within our field of membership.
- **Sporting Events or Activities** that are local, non-professional and which help local youth learn the value of teamwork, fitness, responsibility and self-esteem.
- **Major Community Public Events**, including concerts and festivals, which contribute to the betterment of our community, and are affordable or free and accessible to the majority of local residents.

Restrictions that may apply:

1. Events or functions that solely benefit a specific neighborhood are not eligible for a contribution from WorthCU. These include neighborhood gatherings or associations.
2. Fund raisers that only affect an individual's cause are not eligible for contributions from WorthCU.
3. Campaigns in which funds are used solely for the day to day operation of an organization are not eligible.
